Instructions for Using the Hotlinks Features

- **Internal Hotlinks:** Easily navigate throughout the MUTCD 11th Edition using internal hotlinks. Anywhere in the document that another Part, Chapter, Section, Figure, Table, Page, or Appendix within the MUTCD 11th Edition is referenced, you can select this reference and be navigated to the referenced location within the document. To return to the page that had the hotlink, use the "Left Arrow" key while holding down the "Alt" key, or right-mouse-click and select "Previous View".
- **Links to external documents and web sites:** Select in-text web site URLs and references to external documents to open the web page or document in a new window.
- **Known Errors:** Errors known as of May 10, 2024 for the MUTCD 11th Edition document are marked in the text. Look for the words "Known Error" in the left margin and a blue outline around the section, paragraph, figure, or table that has an error. Select the blue-outlined box to go to the latest version of the List of Known Errors.

Changes from the 2009 Edition

To assist agencies in understanding the new provisions, supplementary documents detailing new content of the 11th Edition of the MUTCD (December 2023), and how the new edition differs from its predecessor, the 2009 Edition with Revisions 1, 2, & 3 incorporated (August 2022), are available [in the Rulemaking Docket](#) and linked below.
