KEY POINTS

- Led by the Detroit automakers, pickup trucks accounted for five of the industry's 10 best-selling vehicles in 2020.
- Ford's F-Series pickup remained America's best-selling vehicle for the 39th straight year. It's also the industry's top-selling truck for 44-consecutive years.
- The three top-selling pickups accounted for about 13% of the 14.5 million vehicles estimated to have been sold last year in the U.S.
